DECLARATION OF PHILIP STOOPS

I, Philip Stoops, have personal knowledge of the facts set forth below and if called to testify about them, I would do so competently.

1. In or around November of 2023, I asked Bonnie Nichols at Wholesale Universe to provide certain ecommerce services for me. Bonnie Nichols then referred me to Jariel Camora, who stated that he was a contractor for Quantum Ecommerce.
2. On November 6, 2023, Jariel Camora and I had a videoconference. During that video call, Jariel Camora was sharing his screen with me while he was instant messaging with an individual with the screen name "Max." I believe "Max" was either Max O. Day or Max K. Day. The screenshots appended to this declaration are true and correct copies of screenshots that I took during the Zoom call.

I declare under the penalty of perjury that the foregoing is true and correct.

We need to get the US people trained today. Maybe we do a group zoom with a couple of them and record it. Let me check. I think so. I go logged in from the WA GoLogin account. So there must be credentials for main.
